Are your prices the same as in store?

Suise Ubeda - 2026-07-24 - Comments (0) - General

Shop Suki is a separate entity from KCC Supermarket and we have our own pricing structure. In-store prices, promotions, offers, coupons and discounts may not apply.

We always strive to give our Suki the best combination of value and convenience. We have automated and manual reviews of our pricing regularly against our own policies and similar competitors to ensure that it is fair and accurate.
