Yes you can Suki! You may notify us through text, call at **0951 806 8769/0917 803 6336** or on Facebook or email at **hello@shopsuki.ph** to change your delivery slot. This is dependent on slot availability. For last minute changes or if you order products tagged as "**For PM Delivery Only**", we may not be able to move your delivery slot earlier.
