We will do our best to amend your order.

If your order has not been picked yet, please call or send us a message at 0951 806 8769/0917 803 6336 or on Facebook. You may also inform your order specialist if they call you for order amendments.

Unfortunately, if your order has already been packed we are unable to make any more changes as this may delay your delivery.
