Yes, you certainly can! We are happy to assist with bank transfer payments. Please reach out to us via Facebook, phone, text, or email, and we'll provide you with the necessary bank information.

For **local transfers**, please allow 2 to 3 banking days for us to recognize your payment. For **international transfers**, it may take 5 to 7 banking days.

Kindly note that we will only process your order after confirming your payment with our bank. Thank you for your understanding and cooperation!
