Yes, you can definitely place an order and have someone else pay for it online. During checkout, simply select '**Cash on Delivery**' or '**Swipe on Delivery**' as your payment method. After placing your order, contact our customer service team via Facebook (**Shop Suki**), phone or text at **0951-806-8769 / 0917-803-6336**, or email at **hello@shopsuki.ph** to request a change to online payment.
