Yes, you can definitely place an order and have someone else pay for it online. During checkout, simply select 'Cash on Delivery' or 'Swipe on Delivery' as your payment method. After placing your order, contact our customer service team via Facebook (Shop Suki), phone or text at 0951-806-8769 / 0917-803-6336, or email at hello@shopsuki.ph to request a change to online payment.
