How do I avail discounts?

You can find the latest discounts available by subscribing to our newsletter or following us on social media. Please note that terms and conditions may apply (purchase requirements, duration, etc.).

The discount code input is AFTER the cart page. Please click 'Checkout' to add your discount code.

The screenshot shows the Shop Suki checkout page. The header features the Shop Suki logo and the text 'fulfilled by KCC'. The navigation bar includes links for Cart, Information, Shipping, and Payment. The main content area is divided into two columns. The left column contains the contact information section with an email input field and a checkbox for newsletter subscription, followed by the delivery method section with radio buttons for 'Ship' and 'Pick up', and the delivery date section with a dropdown menu. The right column shows the cart items, including 'Golden Season Balls 3199' for P299.75. Below the cart items is a red-outlined box containing a 'Discount code' input field and an 'Apply' button. The bottom section of the right column displays the subtotal, shipping, and total amounts, all totaling P299.75.

If you have forgotten to use your discount code or unable to find where to input it, please let us know so we can manually enter it on your order.

You can notify us of your discount code by phone, text, or email.

Please note that you can only use one discount code for every order (unless you have a customer service voucher, which we can apply for you).
