How does Click & Collect work?

Suise Ubeda - 2026-07-27 - Comments (0) - Click & Collect

Click & Collect allows you to pick up your order on the same day.

Place your order today and it will be ready in 3 hours or at your preferred pick-up time.

When checking out, please choose the "Pick up option" as well as your chosen pick up time.

Please be aware that orders containing more than 150 items will take longer to produce.

However, a representative from Click & Collect will call you.
