How does online payment work?

Suise Ubeda - 2026-07-27 - Comments (0) - Online Payment

Our online payment process is simple and secure:

1. Our online payment process is simple and secure:
    1. Checkout**:**
        1. Enter your card details during checkout. The total amount of your order will be deducted from your bank account or e-wallet.
    2. Unavailable Items:
        1. If any items in your order are unavailable, the amount for those items will be refunded to your bank account or issued as a voucher.
    3. Additional Items:
        1. For any additional items added after checkout, we'll coordinate with you about the collection before delivery for a seamless experience

This process applies to the following payment methods:

- **Online Debit or Credit Card (Local and Foreign)**
- **GCash Online**
- **BillEase (Buy Now, Pay Later)**
- **PayMaya Wallet**

We accept all major cards, both **local and foreign**.

Note: Local payments are processed securely via PayMaya. Once your payment is processed, you will receive an email confirmation from **payments@shopsuki.ph**.

If you have any questions or encounter issues, feel free to contact us for assistance!
