How does your meetup service work?

Suise Ubeda - 2026-07-24 - Comments (0) - Shipping & Pick-up FAQs

Don't worry if you're outside of our service area. We can meet in your desired location that is covered by our delivery service. Please indicate a landmark where you would like to meet up and preferred time in the notes box. Please use the shipping address as your preferred meetup venue.

We are unable to guarantee that we can accommodate your preferred meeting time, but we will coordinate closely with you to ensure that we limit your waiting time.
