It says I can't place an order.

Please ensure that you have selected the correct delivery date and time (press confirm!) before checking out.

We have also placed limits on maximum quantities for certain products or categories to comply with DTI's Anti-Hoarding and Anti-Panic Buying regulations. Due to supply chain issues, we sometimes place limits on certain items too.

Please check that you have entered your correct address.

If the issue persists, please close your app/browser and clear your cache. Please check your network connection (switch from WiFi to LTE or vice versa) as this can interrupt checkout.

If you would like to order a greater quantity or you are still unable to checkout after meeting the conditions above or encountered an error during check out, please contact us on these numbers: 0951 806 8769/0917 803 6336 or on [Facebook](#) or send us an email at
