My friend gave me a referral link, how do I use my voucher?

Glad you'd like to try our Super Suki Service!

- 1.) Click on your friend's referral link - this should bring you to our site. Otherwise you can paste the link in your browser.
- 2.) Enter your email to get your unique voucher code sent to you
- 3.) Check your inbox for your voucher code.
- 4.) Copy the code and use it during checkout!

That's it! Easy.

Note that you can only use this voucher during your first purchase.
