What are the payment options?

Suise Ubeda - 2026-07-24 - Comments (0) - Shipping & Pick-up FAQs

We offer a wide variety of payment options for your convenience! Choose from the following methods:

- Cash on Delivery (COD)
    - Pay for your order in cash when it is delivered to your doorstep.
- Swipe on Delivery
    - Settle your payment in person using a credit or debit card from any bank.
- BillEase (Buy Now, Pay Later)
    - Enjoy 0% interest when you pay up to P3,000 within 30 days. Please ensure you have an approved BillEase account before selecting this option. If not, you may be asked to choose a different payment method. Any amount exceeding this threshold can be paid using another method.
    - ***Note: BillEase is an independent loan provider, and Shop Suki is not involved in approving accounts or setting credit limits.***
- QRPH (E-wallets) - In Person
    - No transaction fees! You can pay in person using QRPH (E-wallets) when our super driver delivers your order.
- QRPH (E-wallets) - Online
    - No transaction fees! Once all amendments have been made to your order, an online payment link will be sent to your inbox via PayMongo, our trusted third-party payment gateway.

- Online Debit or Credit Card (Foreign & Local)
    - We accept Visa and Mastercard, including foreign cards, with no transaction fees. During checkout, simply input your card details for a pre-authenticated transaction. This is securely processed through Maya, our trusted third-party payment partner.
