What information do I need to make payment?

Suise Ubeda - 2026-07-27 - Comments (0) - Online Payment

To make a payment, you'll need the following information based on your chosen payment method:

- **Online Credit or Debit Card Payment:**
  - Have your card details ready, including the card number, expiration date, CVV (security code), and the name on the card.
- **Bank Transfer:**
  - You'll need our bank account details, which you can request by contacting us via Facebook, phone, text, or email. Additionally, please provide the transfer reference number or a screenshot of the transaction once completed.
- **QR Payment (GCash or PayMaya):**
  - Ensure you have access to your e-wallet app and enough balance. You'll either scan the provided QR code or follow the payment link sent to your email.
- **BillEase (Buy Now, Pay Later):**
  - Ensure you have an approved BillEase account and verify your account details before proceeding.
- **Cash or Swipe on Delivery:**
  - For cash, please prepare the exact amount. For swipe payments, have your credit or debit card ready at the time of delivery.
