If you have created an account on our site, you may check the details by logging in. You can tap 'My account' in the upper right corner of your screen and tap 'My orders'.

Alternatively, we have sent you an order confirmation with details in your registered email. If you have not received this, please check your spam folder. If you still can't find your order information, please message us on Facebook, via email, or our customer support numbers and we can resend it.
